MINI Details : F56 | MINI 1499 GT | Hatch

Manufactured : 2017

About my MINI : This is a limited edition MINI of a production of 1,499 built between 2017 and 2018. It is based on the graphics style of the classic MINI 1275 GT.

I have made a few changes to this MINI which I have named Banksy.

These are dechroming the belt line and front grille, adding a gold and dark red roof graphic and new side skuttles with gold Union jacks.
